Research Guides organize resources on specific topics, such as “Crops” or “Veterinary Medicine”, among others.

Library Resource Access:

- When asked, online (F & AS):
1. Say “yes” you’re from UW-Madison (UW-Madison ID #).
 2. Change “UW-Madison” to “UW-Extension” in UW System Authorization Hub.
 3. Use your UWEX CES NetID/Password to access e-resources.

Use this link to find databases by subject. Choose a category and subcategory. Then click Go.

1. Choose a Category:
2. Choose a Sub-category:

Agric/Life Sci/Environment

Introductory Resources(3)

Choose a database from the list. The  button will show more information.

Database Name	Type	
Academic Search	Article Database	  
CAB (Agriculture & Veterinary)	Article Database , Has pre-1970 content	  

CABI: CAB Abstracts®

Search for:

farm* in Title

Example: fish farm* AND "South America"

AND profit* in Title

Example: fish farm* AND "South America"

AND USA in Descriptors

Example: fodder legumes

In this example, we’re searching for articles in CAB Abstracts with *farm* and *profit* (both truncated) in their titles. We are also requesting results that indicate the USA (a geographic requirement).

Use the **Find It** button to access online full-text OR request a copy using Library Express (F & AS).

2. Title: [Agricultural profits and farm household wealth: a farm-level analysis using repeated cross sections](#).
Author(s): Blank, S. C., Erickson, K. W., Nehring, R., et al.
Source: **Journal of Agricultural and Applied Economics** Volume: **41** Issue: **1** Pages: **207-225** Published: **2009**
